**Re: Proposals for Law Revisions**

Dear Mr. Anderson:

The Office of State Employment Relations (OSER) is submitting two minor statutory proposals. The proposals are intended to clarify statutory language. Please see attached documents detailing the information requested for each proposed change.

If you have any questions, contact me at 608-267-1023. Thank you for your time and consideration.

Sincerely,

Yer L. Vang  
Executive Assistant

**Proposal #2: Statutory change to s. 20.916 (8)(a) Uniform travel schedule amounts; allowances.**

1. Specific statutory change  
Section 20.916 (8) (a) The director of the office of state employment relations shall recommend to the joint committee on employment relations uniform travel schedule amounts for travel by state officers and employees whose compensation is established under s. 20.923 or 230.12. Such amounts shall include maximum permitted amounts for meal and lodging costs, other allowable travel expenses under sub. (9) (d), and portage tips, except as authorized under 16.53 (12) (c). In lieu of the maximum permitted amounts for expenses under sub. (9) (b), (c), and (d), the ~~secretary~~ director may recommend to the committee a per diem amount and method of reimbursement for any or all expenses under sub. (9) (b), (c), and (d).
2. Administrative or substantive problem with the current statute  
The current language reflects a position title that was appropriate when the Office of State Employment Relations was the Department of Employment Relations, but that title is no longer appropriate.
3. Need for the change  
The change will clarify that the 'Director' of the Office of State Employment Relations may suggest to the Joint Committee on Employment Relations a per diem amount for specific travel expenses.
4. Estimate of the fiscal effect  
Because the change only clarifies who has authority under the sentence being changed, there is no fiscal effect related to the change.
